Our gracious thank you to the tens of thousands of guests each year that have made Festa Italiana a success over the decades! This year is our thirty second year and an interesting one it has been for everyone. For le Arti – a show of works of art about Italy, it means trying to give artists a great opportunity to show their work and for patrons and those passionate about Italy, a chance to meet the artists.

Since we cannot mingle or have a formal in person show, the le Arti project will be going on-line on our Festa Italiana web site. It will give artists vastly more exposure as it will be presented for a year. We are also considering it to be uploaded to You Tube. There is no charge for this presentation of your work(s) however, if you sell a piece of art as a result of participation in this event, we would ask that you please donate 10% of the sale to Festa Italiana. If you would like to be a sponsor of le Arti please contact us.

Please keep in mind that le Arti is a promotion of Italian culture through art and contemporary artists. It invokes the excitement of travel to Italy and interest in Italian arts and heritage. You do not need to be from Italy or even Italian to be a creator of art about Italy. 5

Please, read the invitation below and share it with your friends and family.

### **Invitation and call for artists**

Le Arti – a show of works about Italy – invites contemporary (living), individual artists to present 1- 3 of their original works about Italy for consideration in the 2020 le Art project as part of Festa Italiana. Each piece will need to be photographed and sent in. No galleries or class work please.

Le Arti and Festa Italiana reserve the right of acceptance.

**Categories:** Paintings, Drawings, Photography, three-dimensional art of any material. Please, no music, videos, or offensive works; we are after all, a family-oriented event.

**Image requirements:** The photos should be the first copy, as each consecutive copy deteriorates and will not show well on our web site. Also, saving and resaving JPG files degrades the quality of the image,

Width or height: 2400 pixels (px)

Resolution: 72 pixels per inch (ppi)

Maximum file size: 4 megabytes (Mb) approximately 4096 KB

Color space: RGB

File format: TIFF, PSD or JPEG/JPG. If an artist would like to supply a TIFF or photoshop Photoshop file, we would consider it.

**Mandatory labeling:** To keep track of each artist and their art the label on each work should be:

Last Name of the Artist\_First Name or initial\_Name of the artwork\_number of the piece submitted (1,2,3).

Example: Paziienza\_Giuseppe\_Gelati Stop\_2

The photo of your artwork will appear with your name which will be a link to your web site. We would not like to use private emails, as there are spambots gathering emails for unscrupulous purposes. This way someone can communicate with you using your contact form.

**Festa Italiana Seattle** is a 501(c)(3) can accept donor restricted contributions for Le Arti.

**All presenters are required to sign the Hold Harmless Agreement 2020**  
as follows:

If the agreement is not signed, the Exhibitor will not be able to participate in le Arti della Festa Italiana 2020.
